UPLOAD YOUR OWN DESIGN

We're delighted to offer the option of transforming your own drawing into a bespoke tile. Whether it's a child's artwork, a cherished sketch, or a sentimental motif from a loved one, we can translate it into a truly special, lasting piece.

Your design should be created on a plain white background, in a single dark colour, and submitted as a JPEG. The best way to do this is by scanning your drawing, or taking a photograph in bright lighting with no shadow.

From there, we will carefully reinterpret it in one of our six Delft-inspired shades: Blue, Green, Crimson, Mustard, Manganese, or Sepia.

Simply upload your design to our website and we'll take it from there!

Pricing:

- One-off bespoke tile: £135 per design
- Bespoke tiles within a larger order: £115 per tile, with a minimum spend of £500

From classic Delft storytelling to whimsical florals, our bespoke tile murals bring custom artistry to your space. Hand-applied and made to order to your exact measurements, each piece is entirely one-of-a-kind.
